* ELD measures are completed only for preschool-age children whose home language is other than English and whose family has identified spoken English as a method or mode of communication for their child.

** Health measures 3-5 must be completed for children with an IEP (Individualized Education Program) or an IFSP (Individualized Family Service Plan). Based on observations, Health measures 3-5 may be completed, if determined, to document progress or plan this child’s learning activities and supports.
