

Desired Results Developmental Profile © (DRDP) Virtual Certified Trainer Institute

BUILD CAPACITY WITHIN YOUR AGENCY TO TRAIN TEACHERS ON THE DRDP!

The virtual Certified Trainer Institute prepares trainers to provide the Desired Results Developmental Profile© (DRDP) teacher training. After fulfilling the prerequisites*, participants must complete an eight (8) session virtual training program which includes presentation skills training, virtual co-training with institute faculty, and pass a virtual final certification process. Certified trainers receive access to the DRDP online conference center and may provide unlimited training as part of their job duties within their agency. Maintaining certification includes attendance at quarterly update webinars.

Prerequisites*: Observe and participate in a DRDP and Meaningful Observation training presented by a certified trainer or complete and submit certificates for DRDP modules 1-4 from [California Early Childhood Online \(CECO\)](#).
