**Child 1:** Thumbs up.

**Child 2:** No, we're not doing it right there with that. We have to make a head. We're going to have to make it smaller.

**Child 1:** How about this hand? That's it.

**Child 2:** I'll just do three blocks.

**Child 1:** Here's my block.

**Teacher:** What is making?

**Child 1:** Sawn. Sonic.

**Teacher:** Where are you taking Sonic?

**Child 2:** Okay. Wait, the dumb duck. The dumb duck.

**Child 2:** Wait, everybody. Hey, get it. You broke him.

**Child 1:** How about this could be his leg.

**Child 2:** Dude, I know the phone. That's his head.
