Teacher: Would you like to do a song with us? Oh, you're going to do those? Okay. Oh, you can do this. Just this. What happened? This one? Grace, let's be gentle. I know. Are you looking for the other one? What song are you going to do? Can we sing? What's wrong? Do you wanna play something else? Or you can tap these? Do you wanna play with this one? Say, "Excuse me, teacher."

Grace: Excuse me, teacher.

Teacher: Of course. One. Two. Which one is next? 3, 4, 5, 6, 7, 8, 9, 10! Good job. What's wrong? Do you wanna shake? Are you okay?

Mena: I am Okay.

Teacher: Oh, I'm glad you're okay. Ilian, would you like some bells?

Mena: My turn!

Grace: No! Give me that!

Teacher: Gracie, say nicely. "Mena, can I borrow it, please?"

Grace: Mena, please.

Teacher: Mena say; "okay, I already played with it. Your turn." And then Mena can help me play with these. Okay, can you give this to Grace, so we can share? Can we be patient? Say, "excuse me, Mena."

Grace: Excuse me, Mena.

Teacher: Mena, can Grace please borrow it? You already had a turn. I know. Oh, gentle hands. Can teacher Scar have the stick, Mena? Or we're going to have to make another choice. You don't want to make another choice? But look, Grace is asking nicely if she could borrow it. And then Mena can play with, what else do we have? Oh, look. Do you want to play with those? We also have our bowl. With that one? Why is this so big? Look.
