Teacher: What are you trying to do?

Child 1: I'm trying to make that side more heavier.

Teacher: Oh, you're trying to make that side more heavier?

Child 1: Yeah.

Teacher: Yeah? Do you think it's heavy? Here, I can do the wheel.

Children's voices (not visible in video): It's not turning right now!

Oh my God, was it heavy?

That wasn't heavy.

Teacher: Was that heavy? Which one's more heavier?

Child's voice (not visible in video): That one.

Teacher: Now, which one's heavier?

Children's voices (not visible in video): Two spiders.

Oh, no, this is heavier.

Ah, spider, yeah.

How about you, doctor?
