**First Child:** Thumbs up.

**Second Child:** No, we're not doing it right there with that. We have to make a head. We're going to have to make it smaller.

**First Child:** How about this hand? That's it.

**Second Child:** I'll just do three blocks.

**First Child:** Here's my block.

**Teacher:** What is making?

**First Child:** Sawn. Sonic.

**Teacher:** Where are you taking Sonic?

**Second Child:** Okay. Wait, the dumb duck. The dumb dump.

**Second Child:** Wait, everybody. Hey, get it. You broke him.

**First Child:** This could be his list.

**Second Child:** Dude, I know the phone. That's his head.
